

**Welcome to Harbinger Group
Ticketing System Mobile App**

Download
Ticket system
App from Play
store / App
store!

After opening App this page will be displayed. Click on Settings icon at the right-hand side.

The image shows the login page of the ManageEngine ServiceDesk Plus application. The page has a dark blue header with the 'ManageEngine ServiceDesk Plus' logo. A green circular settings icon is located in the top right corner of the header. Below the header, there is a white login form. The form contains three input fields: 'Username' with a green user icon, 'Password' with a green key icon, and 'Local Authentication' with a green globe icon and a dropdown arrow. A 'LOGIN' button is positioned at the bottom right of the form.

Set the server port as 443 .
Check “Use https” option.
Click on “SAVE” button after
doing changes

The screenshot shows the configuration interface of the ManageEngine ServiceDesk Plus mobile app. The top header is dark blue with the app's logo and name. Below the header, there is a green circular button with a user icon. The main configuration area is white and contains the following elements:

- Protocol:** A label followed by a checkbox labeled "Use https".
- Server:** A green label above a text input field containing "servicedesk.harbingergroup.com" and a clear button (X).
- Port:** A green label above a text input field containing "80" and a clear button (X).
- SAVE:** A button located at the bottom right of the configuration area.

Insert your LDAP credentials and select “HARBINGER” from drop-down list. Click on “LOGIN” after inserting the LDAP credentials

The screenshot shows the ManageEngine ServiceDesk Plus login screen on a mobile device. The top status bar displays the time 3:56, signal strength, and battery level. The app header is dark blue with the ManageEngine logo and 'ServiceDesk Plus' text. A green settings icon is in the top right. The login form has a white background and includes a green user icon, a 'Username' label, a text field with 'Akshayk', a green key icon, a 'Password' label, and a text field. Below the password field is a dropdown menu with a green globe icon, showing 'Local Authentication' and 'HARBINGER' options. A 'LOGIN' button is partially visible at the bottom right.
