

**Welcome to Harbinger Group
Ticketing System Mobile App**

Download
Ticket system
App from Play
store / App
store!

After opening App this page will be displayed. Click on Settings icon at the right-hand side.

The image shows the login page of the ManageEngine ServiceDesk Plus application. The header is dark blue with the text "ManageEngine ServiceDesk Plus" in white. A green circular settings icon is located in the top right corner. The main content area is white and contains three input fields, each with a green circular icon to its left: a person icon for "Username", a key icon for "Password", and a globe icon for "Local Authentication". A dropdown arrow is visible to the right of the "Local Authentication" label. At the bottom right, there is a "LOGIN" button.

Set the server port as 443 .
Check “Use https” option.
Click on “SAVE” button after
doing changes

The screenshot shows the configuration interface of the ManageEngine ServiceDesk Plus mobile app. The top header is dark blue with the app's logo and name. Below the header, there is a green circular button with a person icon. The main configuration area is white and contains the following fields:

- Protocol:** A label followed by a checkbox labeled "Use https".
- Server:** A text input field containing "servicedesk.harbingergroup.com" with a green underline and a clear button (X).
- Port:** A text input field containing "80" with a clear button (X).
- SAVE:** A button at the bottom right of the configuration area.

Insert your LDAP credentials and select “HARBINGER” from drop-down list. Click on “LOGIN” after inserting the LDAP credentials

The screenshot shows the ManageEngine ServiceDesk Plus login screen on a mobile device. The top status bar displays the time 3:56, signal strength, and battery level. The app header is dark blue with the ManageEngine logo and 'ServiceDesk Plus' text. A green settings icon is in the top right. The login form has three fields: 'Username' with a person icon and the value 'Akshayk', 'Password' with a key icon, and a dropdown menu with a globe icon. The dropdown is open, showing 'Local Authentication' and 'HARBINGER'. A 'LOGIN' button is at the bottom right.
