

HR Compliance Mini Project - Instructions

Objective: Demonstrate understanding of HR compliance principles and their application in the workplace.

Project Scenario

Assume you are an HR Compliance Analyst reviewing organizational compliance practices.

Tasks

1. Identify three key HR compliance areas. 2. Explain relevant policies. 3. Analyze compliance risks. 4. Recommend corrective actions. 5. Prepare a summary report.

Deliverables

A 5-7 page report and a 5-slide presentation summarizing findings.

Evaluation Criteria

Understanding of compliance concepts, quality of analysis, practicality of recommendations, presentation quality, and report structure.

Suggested Topics

Workplace harassment prevention, data privacy, code of conduct, equal employment opportunity, workplace safety.

Submission Guidelines

Submit PDF report and presentation before the assigned deadline. Include references where applicable.
